

2022-2023 RETURNING STUDENTS REGISTRATION REGISTRATION – HELPFUL TIPS

Dear Parents and/ or Guardians:

Our 2021 – 2022 year is ending; however, we must prepare for the new year. All returning students must complete the on-line registration process for the **2022-2023 school year.**

We are excited to announce online Returning Student Registration for the upcoming school year! This process replaces the paper forms sent home at the beginning of each school year.

You can register your child from home using the instructions provided in this email. Your child’s registration is not complete until all of the required forms have been submitted:

- proof of residency (lease/mortgage, utility bill; water and energy)
- birth certificate
- social security card
- immunization records
- copy of parent’s id

If you are unable to upload any of the required documents, you may drop them off to the school Monday – Friday, 9 am – 3 pm.

Information regarding uniforms, transportation, school supplies and school calendar will be provided upon the completion of registration.

If you have any additional questions, please contact the main office of your child’s school.

Then, enter your student’s snapcode:

What’s a snapcode?

The snapcode is like a key to your child’s Returning Student Registration for the upcoming school year. You should receive a unique snapcode or snapcode link for each child.

I don’t know what a question is asking.
